

## April 2024 Newsletter

Dear Parents,

Welcome to the lovely month of April! In April, we will explore many different learning themes including: The Maps and Flags of Ireland, Great Britain, and France; The Significance of Plants, and Earth Day! The weather outside is so beautiful these days. Finally, we can feel that spring is approaching!

It has been a real pleasure to see the children developing very well, emotionally, intellectually, physically, and socially over the years. During the month of April, the children will learn about the time change, Earth Day, the spring flowers: azaleas, tulips, daffodils, and golden bells, and forsythias', as well as parts of a plant, parts of a flower, parts of a bird.

In addition, the children will do art projects such as decorative egg making, colorful bird making, flower garden making, coloring and drawing with various art materials, etc. When the children are working with the art materials, you can actually see and feel the creativity and imagination surrounding them! The children enjoy learning their various lessons, sharing interesting information with each other, talking about different topics during the circle time, asking questions to satisfy their curiosities, and listening attentively when discussing and reading storybooks. So far, the children who are ready have been doing a great job of reading books about various topics at different levels. They also enjoy reading to the other children during the circle time and class time for fun!

In math, the children have been using various materials to do the operations such as addition strip board, multiplication bead board, subtraction strip board, bank games, etc., depending on their individual levels. As we always say, the most important thing is that the children should be internally motivated to learn different topics and challenging concepts with genuine interest and curiosity.

### **Important Reminders:**

- ♥ The due date for the tuition payment is PRIOR to the 5<sup>th</sup> day of each month. Thank you for your prompt payment-Late payments will result in penalties described on our webpage and Registration Form.
- ♥ Please call and let us know if your child will not be at school due to illness, for attendance purposes.
- ♥ We would appreciate it if you can send in the extra clothing that is appropriate for the spring season (Ex: Sweaters, Full length Pants, Socks).
