

June 2026

Dear Windsor Montessori School Families,

We are having a hard time believing that the end of the school year is upon us! Where did the time go? As we look back, it all falls into place, and we have such pleasant memories from this school year.

We remember many “firsts” such as the first day of school, the first presentation, the first circle time, the first friend, the first song, and so much more! We now look out upon our Montessori environment and see a wonderful transformation. The tearful goodbyes to moms and dads are gone, and instead, we see the children enter the classroom independently, with great confidence and excitement for the day ahead. Gone are the group times filled with distractions and wiggly bodies. Now we see a solid group that can join together with great concentration and respect. Gone are the first presentations—how to roll a mat, walk on the line, and push in a chair. Now the children are seeking out new challenges in math and language, reading books, writing stories, finishing workbooks, and confidently navigating the classroom. Gone are the days of learning names and making new friends. Now we have a true community, which feels more like a family than simply friends. We have been through a lot together this year, and now comes the time to reflect and celebrate.

We’re also thrilled to welcome many friends and siblings who will be joining us for our **Summer Camp beginning Wednesday, July 1st**. If you haven’t yet, please remember to **register for summer camp** as soon as possible. Also, kindly let your child’s teachers know if your child will be away or on vacation this summer so we can plan accordingly.

Thank you for your time, support, and commitment throughout the year. We’re ready to welcome summer with open arms and look forward to all the adventures in store at **Windsor Montessori School Summer Camp 2025!**

To keep up with all of our classroom adventures please visit our gallery on Facebook or on our website at <http://www.windsormontessorischool.com/gallery.html> . Thank you for your continuous support and confidence in Windsor Montessori School. We remain committed to providing your children the highest quality of education.

Sincerely,

Yasmin Mumtaz
