

May 2026

Dear Windsor Montessori School Families,

Welcome to May! Spring is in full swing, bringing blooming flowers, chirping birds, and warmer days. At Windsor Montessori School, we are embracing the season with exciting nature-based activities and classroom explorations.

As we head into this busy and beautiful month, please note that **school will be closed on Memorial Day, Monday, May 25th**. We are also happy to announce that our **Annual Graduation Ceremony** will take place on **Saturday, May 9th at 10:30 AM**—we look forward to celebrating with you!

Our classrooms are alive with learning inspired by spring. Children have been observing seasonal changes during nature walks, spotting chipmunks and squirrels emerging from hibernation. They've studied the parts of ladybug and discovered that they come in a few other colors, not just red.

Pastel colors are everywhere as children mix paint, match shades, and create artwork using crayons and paint, all while strengthening fine motor and color recognition skills.

In geology, we've started exploring igneous rocks and volcanoes. Children are building paper models and preparing for our exciting Volcano Project, which will culminate in a dramatic eruption next month!

We continue to work on maps, language activities like rhyming and word building, and early math skills. Each day also includes music, movement, reading, and classroom responsibilities.

We're so happy to share this joyful time of year with our students—thank you for being part of the Windsor Montessori community!

To keep up with all of our classroom adventures please visit our gallery on Facebook or on our website at <http://www.windsormontessorischool.com/gallery.html> . Thank you for your continuous support and confidence in Windsor Montessori School. We remain committed to providing your children the highest quality of education.

Sincerely,

Yasmin Mumtaz
