

## June 2017 Newsletter

Dear Parents,

We are having a hard time believing that the end of the school year is upon us!!! Where did the time go? As we look back, it all falls into place and we have such pleasant memories from September 2016 to May 2017!

We remember many “firsts” such as the first day of school, the first presentation, the first circle time, the first friend, the first song, and much more! We now look out upon our Montessori environment and the tearful goodbyes to moms and dads are gone and instead we see the children enter the classroom independently, with great confidence and excitement for the day ahead. Gone are the group times filled with distractions and wiggly bodies. Now we see a solid group that can join together with great concentration and respect. Gone are the first presentations, how to roll a mat, walk on the line and push in a chair. Now the children are seeking out new challenges in math and language, reading books, writing stories, finishing workbooks, and we are well beyond the days of how to carry a mat! Gone are the days of learning names and making new friends. Now we have a true community, which feels more like a family than simply friends. We have been through a lot together this year and now comes the time that we look back and remember.

In the month of June, we are going to be very busy, reviewing the things that we learned as well as having fun. We are happy to say that many friends/siblings will be joining us to continue on with their early childhood journey! We are also very happy to look forward to our summer program beginning Monday, July 3<sup>rd</sup> and we hope that everyone has a great summer this year!

Thank you everyone for a terrific year! Please feel free to call me with any questions or concerns that you may have.

### Reminders

1. The due date of the tuition payment is the 5<sup>th</sup> day of each month. Thank you for your prompt payment.
2. Please collect your extra clothing, if you will not be attending summer camp
3. Please provide swim suits for your child for summer camp.

Sincerely,  
*Yasmin Mumtaz*
